

classic florals

Gorgeously elegant pattern, reinterpreted for the twenty-first century home

foreground toile empire black broadloom 9/27836,
background toile empire black runner 9/27844

Beautifully drawn, and woven into top-quality axminster using 80% wool and 20% nylon, these designs are elegant and hardwearing, whilst having the versatility to co-ordinate with the sumptuous finepoint leighton canvas F392.

With large and small scale designs and matching runners in the range, you can easily plan adjoining rooms, landings and staircases.
