## What's important to you, is important to us.

In the wide range of industries in which we work, we underpin and define our service by paying attention to the details that mean the most to you.

You will be supported by consultants with extensive experience in your industry so that we speak your language at every stage of our collaboration.

Whether healthcare, hospitality, office or retail - we will work with you to find the perfect flooring for your project. We can help you find unique products or a completely individual floor design - share your creative inspiration with us and we will work together to realise your design vision.

Discover our expertise and be inspired by projects featuring Amtico.

Visit amtico.com for more information on our product range, inspiring ideas and maintenance and installation advice. Every effort is made to achieve accurate reproduction of products in this brochure; however, printing limitations can be misleading. Selection of products should be made from actual samples. Samples are small pieces cut from standard tiles. They give only a general indication of the design. Tone and shading can vary slightly from batch to batch and it is not possible to guarantee that the sample will exactly match the material supplied. The policy of the Company is one of continuous development and improvement and the right is reserved to add or delete from the range or change patterns without prior notification. All products are manufactured in line with EN ISO 10582. Brochure correct at the time of publication.
